MINUTES OF PRICE RIVER DISTRIBUTION SYSTEM ANNUAL MEETING
February 3, 1982

The annual meeting of the water users of the Price River Distribution System was held on February 3, 1982 at 3:30 P.M. in the Conference Room of the Social Services Building; 90 North 1st East; Price, Utah.

Meeting called to order by Don Norseth, Distribution Engineer from the State Engineer's Office. (1636 West North Temple, Salt Lake City, Utah 84116. Phone 801-533-6071) Meeting turned over to Lyle Bryner, chairman.

The minutes of the last regular meeting were read by John Bene, Secretary. Boyd Marsing moved, seconded by Albert Thayn, that the minutes be approved as submitted. Motion carried.

Don Norseth reported that the prospects were very good for a good water supply this coming year. Reports throughout the State show well over 100% of normal snow fall.

Jerry Bronicel from the State Engineer's Office read the financial statement pertaining to the operation of the Price River Distribution System for the year 1981. There was considerable discussion over expenditures in the Commissioner's travel expense account and the making up of two years of vacation pay owed the River Commissioner which was duly authorized by Chairman Bryner by authority given him at the 1981 annual meeting. The annual budget was not exceeded.

River Commissioner read high lights from his report prepared for the State Engineer for the year 1981. Each canal company is furnished a copy of the River Commissioner's report.

Secretary asked if there were any new applications for the River Commissioner's position for the year 1982. Mr. Rowley and his wife, Selma, submitted the only application for the River Commissioner's job. (Copy of application attached.) It was moved by Ted Peirce that the Rowley application be accepted and that the water users recommend to the State Engineer that Dave Rowley and Selma Rowley be appointed for the 1982 season. Motion seconded by Albert Thayn and carried.

The next item of business was to set up the operating budget for the ensuing year 1982.
